THOU, AS MY KNIGHT

The Princess's Rebellion, Part I

"Th-that's not it! I just
couldn't sleep because I
had a homework problem
I couldn't work out
yesterday. Honest!"

"I don't buy it. You were
totally ignoring your
books and stressing over
what to wear, weren't
youuuu? I mean, you
even went out of your way
to borrow my makeup..."

"H-hey, cut it out!"

Lupus
hurried to
protest as
she pulled
bills from
her wallet.

"So this is why
you couldn't
sleep last night,
hmmmm?"

Patria said this to
Lupus from across
the counter, her hand
covering her mouth.
But her voice was at
its regular volume, and
Tsushima could hear
every word. In fact,
Patria was probably
making sure he could.

"You look like
you actually
think you have
a way to win."

"Who would've
thought the day
would come when
we'd be fighting on
the same team?"

"Yeah. You looked
pretty peeved about
it, you know."

"This situation
brings me no joy."

"Same here. But for
now, lend me a hand."
